A deluxe facial enhances the skin's radiance and accelerates cell rejuvenation. A balanced treatment for your mind, spirit and soul.

## facial treatment-1

**Sothys resurfacing facial      60 mins      \$119**

This intensive Resurfacing Peeling treatment combines Alpha and Beta Hydroxyl acids together with H2CR™ Cosmeceutical Cellular Renewal, resulting in pronounced radiance of the skin. Suitable for most skin types except sensitive or reactive skin.

**Sothys sensitive facial      60 mins      \$119**

The ultra-gentle textures of this treatment have been formulated to suit particularly sensitive skin types.

**Sothys brightening facial      60 mins      \$129**

[W.]+ Brightening treatment combines Pure Vitamin C concentrate with Alpha and Beta Hydroxyl acids for intensive cellular renewal. It is designed to target uneven complexions with brown blotches, as well as sun-damaged skins lacking energy and vitality. Suitable for most skin types except sensitive or reactive skin.

**Sothys hydra-oxygen facial      60 mins      \$139**

Sothys hydra-oxygen facials make dull, dry, tired and ageing skin radiate with health and vitality in no time. An oxygen facial has little risk of side effects that can occur with other professional skin-care treatments. People with highly sensitive or damaged skin may experience some redness, but this is usually temporary.

**Sothys triple hyaluronic facial      60 mins      \$139**

Hyaluronic acid has the capacity to hold 1000x its own weight in water like a sponge. It contributes to the density, cohesion, moisture and elasticity of the skin and supports collagen and elastin fibres.

**DPC full facial      60 mins      \$79**

A deep pore cleansing facial removes skin impurities caused by harsh environments. This treatment improves circulation and refines the skin's texture.

**DPC acne treatment      60 mins      \$99**

This powerful clarifying treatment is for oily skin with persistent eruptions and mature onset acne which are often difficult to resolve with conventional oily skin treatments.

**DPC collagen facial      60 mins      \$119**

A collagen facial keeps the skin taut and supple, improving elasticity and resilience. Collagen is excellent at water retention and can help decrease wrinkles on the face and eliminate the subtler signs of ageing.
